

Family Law: A Very Short Introduction (Very Short Introductions)

What is a family? What makes someone a parent? What rights should children have? Family Law: A Very Short Introduction gives the reader an insight not only into what the law is, but why it is the way it is. It examines how laws have had to respond to social changes in family life, from rapidly rising divorce rates to surrogate mothers, and gives insight into family courts which are required to deal with the chaos of family life and often struggle to keep up-to-date with the social and scientific changes which affect it. It also looks to the future: what will families look like in the years ahead? What new dilemmas will the courts face?

ABOUT THE SERIES: The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area. These pocket-sized books are the perfect way to get ahead in a new subject quickly. Our expert authors combine facts, analysis, perspective, new ideas, and enthusiasm to make interesting and challenging topics highly readable.

All Products ... New Products - more Information Shipping & Returns Privacy Notice Conditions of Use Contact Us Site Map Gift Certificate FAQ Discount Coupons Newsletter Unsubscribe All my gourd creations are original, handcrafted, signed and dated. No stencils or patterns are ever used. Every birdhouse is treated with several coats of high quality exterior varnish for protection from the elements and to ensure colors will stay bright throughout the seasons. Birds love gourds for nesting and will often return to the same one year after year. When nesting season ends, the gourd's usefulness doesn't end. Birds will continue to use them as shelter from weather and for protection from predators. If you don't see what you want, please contact me for a custom made gourd creation or inquire about other types of artwork...anything from pet portraits to painted milkcans! Enjoy your visit!
