

Lost Temple

For three thousand years, the worlds most dangerous treasure has been lost. Now the code that reveals its hiding place is about to be broken... Sam Grant is a disgraced ex-SOE soldier and an adventurer by trade. But he has a secret: six years ago, a dying archaeologist entrusted him with his lifes work - transcripts of mysterious writing found in a hidden cave on Crete. Deciphered, it could lead to one of the greatest prizes in history. But the treasure is as dangerous as it is valuable. The CIA wants it; so does the KGB. Helped by a brilliant Oxford professor, and a beautiful Greek archaeologist with her own secrets to hide, Grant is plunged into a labyrinth of ancient cults, forgotten mysteries and lost civilizations. But time is running out. The secrets of the distant past may hold the key to the newest threats of the modern world...

No stencils or patterns are ever used. Every birdhouse is treated with several coats of high quality exterior varnish for protection from the elements and to ensure colors will stay bright throughout the seasons. Birds love gourds for nesting and will often return to the same one year after year. When nesting season ends, the gourd's usefulness doesn't end. Birds will continue to use them as shelter from weather and for protection from predators.
