

# Summer Is Her Name: Born In Kentucky

Summer Is Her Name tells the story of a girl growing up on a small farm in Appalachia (Northeastern Kentucky). She always thought she would spend her life there. World War II came along when she was a teenager and changed everything. She graduated from college, worked in a defense plant, visited West Point, married the love of her life. Many readers will relive these adventures with her, because the reader will have experienced them first-hand.

No stencils or patterns are ever used. Every birdhouse is treated with several coats of high quality exterior varnish for protection from the elements and to ensure colors will stay bright throughout the seasons. Birds love gourds for nesting and will often return to the same one year after year. When nesting season ends, the gourd's usefulness doesn't end. Birds will continue to use them as shelter from weather and for protection from predators.
