

Guile Is Good!: Why We Need Lawyers

Americans admire and fear lawyers because they sense we use our creativity, craft (and craftiness) to shape the world. This small book argues that lawyers should take great pride in the power our skills provide us, and think carefully about how we employ them.

No stencils or patterns are ever used. Every birdhouse is treated with several coats of high quality exterior varnish for protection from the elements and to ensure colors will stay bright throughout the seasons. Birds love gourds for nesting and will often return to the same one year after year. When nesting season ends, the gourd's usefulness doesn't end. Birds will continue to use them as shelter from weather and for protection from predators.
