

Corporate Insolvency: Employment and Pension Rights (Third Edition)

This new edition provides an in-depth analysis of the UK law relating to corporate insolvency where it interacts with the law governing employment and pension rights. The book explains the detailed elements of this specialist field of law and practice, providing a useful base on which to answer questions that are likely to arise. Practical appendices combine a range of statutory instruments and other material including EC directives, insolvency practitioner guidance notes, flow charts relating to Claims for Payments from the UK National Insurance Fund, and the UK Department of Employment forms. New content includes: the new TUPE Regulations 2006, Pensions Act 2004, Court of Appeal cases on whether insolvency awards priority insolvency debts, overseas employees, new cross-border EC Directives, age discrimination legislation, and the Insolvency Act 2002 material.

No stencils or patterns are ever used. Every birdhouse is treated with several coats of high quality exterior varnish for protection from the elements and to ensure colors will stay bright throughout the seasons. Birds love gourds for nesting and will often return to the same one year after year. When nesting season ends, the gourd's usefulness doesn't end. Birds will continue to use them as shelter from weather and for protection from predators.
