

Be Careful Who You SLAPP

The First Amendment of the Constitution of the United States of America guarantees its citizens freedom of speech. This book is an extraordinary, true-life account of two law-abiding gadflies who unwittingly became embroiled in the Mother of All SLAPPs and refused to be silenced by corporate corruption and judicial malfeasance. Facing financial ruin, death threats and incarceration, these stalwart Americans used the power of the Internet and the words of the World Wide Web to take on the Varian SLAPP terrorists. The threat is real, the story is true

No stencils or patterns are ever used. Every birdhouse is treated with several coats of high quality exterior varnish for protection from the elements and to ensure colors will stay bright throughout the seasons. Birds love gourds for nesting and will often return to the same one year after year. When nesting season ends, the gourd's usefulness doesn't end. Birds will continue to use them as shelter from weather and for protection from predators.
