

The Enemy Combatant Papers: American Justice, the Courts, and the War on Terror

The Enemy Combatants Papers presents the five major enemy combatant cases of the post-9/11 era. Presented in narrative form, these original documents tell the story that clarifies the questions at the heart of the American detention of alleged combatants in the war on terror. These documents discuss the right to counsel, the right to a trial, the right for the accused to see the evidence against him, and the intersection between domestic and international law. The book highlights the tension between the needs of national security and the liberties allotted to alleged enemies of the state by highlighting the basic question of what the U.S. Constitution guarantees and to whom. In these documents, the reader can follow the evolving arguments about presidential powers in time of war, habeas corpus, the Geneva Conventions, balance of powers, and matters of detention and prisoner treatment. Complemented with a comprehensive timeline and appendices that include the relevant cases from the Civil War, World War II, and the Korean War and the premises for setting up military commissions and Combatant Status Review Tribunals, this book is meant for those who seek to understand the issues - legal, political, and military - that have dominated the search for balance between justice and security in the war on terror.

stencils or patterns are ever used. Every birdhouse is treated with several coats of high quality exterior varnish
for protection from the elements and to ensure colors will stay bright throughout the seasons. Birds love gourds for
nesting and will often return to the same one year after year. When nesting season ends, the gourd's usefulness
doesn't end. Birds will continue to use them as shelter from weather and for protection from predators.
If you don't see what you want, please contact me for a custom made gourd creation or inquire about other types
of artwork...anything from pet portraits to painted milkcans! Enjoy your visit! New Products For July Pair of
