

The Natural Rights Republic: Studies in the Foundation of the American Political Tradition (FRANK COVEY LOYOLA L)

In The Natural Rights Republic, renowned political theorist Michael P. Zuckert examines the natural rights philosophy as expressed in sources like the Declaration of Independence and aims to counter contemporary confusion by offering an insightful study of the concept that dominated the mindset of the founding generation of the United States.

No stencils or patterns are ever used. Every birdhouse is treated with several coats of high quality exterior varnish for protection from the elements and to ensure colors will stay bright throughout the seasons. Birds love gourds for nesting and will often return to the same one year after year. When nesting season ends, the gourd's usefulness doesn't end. Birds will continue to use them as shelter from weather and for protection from predators.
