

Original Sin: Clarence Thomas and the Failure of the Constitutional Conservatives (Critical America)

Originalism is the practice of reviewing constitutional cases by seeking to discern the framers and ratifiers intent. Original Sin argues that the jurisprudence of original intent, represented on the current Supreme Court by Justices Antonin Scalia and Clarence Thomas, has failed on its own terms. Attempts to determine the framers intent have not brought greater determinacy and legitimacy to the process of constitutional interpretation. Instead, the method has been marked by the very flaws including self-interested reasoning and the manipulation of doctrine that originalists argue marred the jurisprudence of the judicial activists of the Warren Court. Original Sin brings a rigorous review of the performance of the new originalists to the debate, applying their methodology to real cases. Marcossou focuses on the judicial decisions of Clarence Thomas, an avowed originalist who nevertheless advocates color blind readings of the Constitution which are at odds with the framers ideas concerning anti-miscegenation and other laws. After critiquing what he sees as a troubling use of originalism and explaining why it has failed to provide a consistent basis for constitutional decision-making, the author goes on to offer an alternative approach: one that lends greater legitimacy to the Courts interpretations of the Constitution.

All Products ... New Products - more Information Shipping & Returns Privacy Notice Conditions of Use Contact Us Site Map Gift Certificate FAQ Discount Coupons Newsletter Unsubscribe All my gourd creations are original, handcrafted, signed and dated. No stencils or patterns are ever used. Every birdhouse is treated with several coats of high quality exterior varnish for protection from the elements and to ensure colors will stay bright throughout the seasons. Birds love gourds for nesting and will often return to the same one year after year. When nesting season ends, the gourd's usefulness doesn't end. Birds will continue to use them as shelter from weather and for protection from predators. If you don't see what you want, please contact me for a custom made gourd creation or inquire about other types of artwork...anything from pet portraits to painted milkcans! Enjoy your visit!
