

McCormick on Evidence, Fifth Edition, Vol. 1 (Practitioner Treatise) (Practitioners Treatise Series)

Volume One of Two Volume Set. McCormick on Evidence, 5th, is an analysis of the rules and theory of the law of evidence. It covers not only the Federal Rules of Evidence, but also state law in jurisdictions not following Federal Rules. Describes accepted practice and theory, identifies current issues, and reviews leading case law. When there are specific questions of evidence for which a jurisdiction has no precedent, the book provides both general theories that may be argued to suggest the answer and varying views from other jurisdictions.

All Products ... New Products - more Information Shipping & Returns Privacy Notice Conditions of Use Contact Us Site Map Gift Certificate FAQ Discount Coupons Newsletter Unsubscribe All my gourd creations are original, handcrafted, signed and dated. No stencils or patterns are ever used. Every birdhouse is treated with several coats of high quality exterior varnish for protection from the elements and to ensure colors will stay bright throughout the seasons. Birds love gourds for nesting and will often return to the same one year after year. When nesting season ends, the gourd's usefulness doesn't end. Birds will continue to use them as shelter from weather and for protection from predators. If you don't see what you want, please contact me for a custom made gourd creation or inquire about other types of artwork...anything from pet portraits to painted milkcans! Enjoy your visit!
