Common Sense Estate Planning Solutions For Baby Boomers, Their Parents... And Their Children. Save Time, Money, Arguments And Headaches In The Process. The problem with estate planning for most people, is that it is too complicated. The purpose of this book is to simplify the process and offer common sense strategies that will help you to save time, money and reduce the stress involved in planning your estate. Every year, hundreds of thousands of individuals die without proper estate plans in place. My objective is to make the process so simple, so structured and so easy to accomplish that anyone can do it, and do it well in a matter of days. Whether your estate is small or very large, whether you are already there or plan to be in the future, preparing some basic estate plan documents will help your family handle any issues that might arise.

No stencils or patterns are ever used. Every birdhouse is treated with several coats of high quality exterior varnish for protection from the elements and to ensure colors will stay bright throughout the seasons. Birds love gourds for nesting and will often return to the same one year after year. When nesting season ends, the gourd's usefulness doesn't end. Birds will continue to use them as shelter from weather and for protection from predators. If you don't see what you want, please contact me for a custom made gourd creation or inquire about other types of artwork...anything from pet portraits to painted milkcans! Enjoy your visit!
