

# Cockroaches (An Inspector Harry Hole Novel)

The thrilling sequel to Jo Nesbos debut novel, *The Bat*, *The Cockroaches* sees Harry Hole sent to Bangkok to investigate the murder of the Norwegian ambassador. Detective Harry Hole arrives in a steaming hot Bangkok. But its work, not pleasure. The Norwegian ambassador has been found dead in a seedy motel room, and no witnesses have come forward. The ambassador had close ties to the Norwegian prime minister, and to avoid a scandal Harry is sent there to hush up the case. But he quickly discovers that there is much more going on behind the scenes and very few people willing to talk. When Harry lays hands on some CCTV footage that will help him unravel what happened that night, things only get more complicated. The man who gave him the tape goes missing, and Harry realises that failing to solve a murder case is by no means the only danger in Bangkok.

No stencils or patterns are ever used. Every birdhouse is treated with several coats of high quality exterior varnish for protection from the elements and to ensure colors will stay bright throughout the seasons. Birds love gourds for nesting and will often return to the same one year after year. When nesting season ends, the gourd's usefulness doesn't end. Birds will continue to use them as shelter from weather and for protection from predators. If you don't see what you want, please contact me for a custom made gourd creation or inquire about other types of artwork...anything from pet portraits to painted milkcans! Enjoy your visit!
