An erotic horror novel from the future, packed with violence, suspense and smoldering sex! Follow Heidi Mira and her quest to stay alive in this hostile world of intense heat, mutated wildlife and demon overlords! Synopsis: The earth is overrun by war and poverty, reverting it back to third world status. For the beautiful Heidi Mira, life is a battle for survival in a world filled with heat, grotesque animal life and not enough food to feed the hungry. Mankind is at mercy of another evil, Raebat, the demon ruler of the Kingdom of Bloodlust. With his gargoyle demons, he has taken over the country, killing and enslaving all mortals, including Heidi's father, sister and grandfather. Forced to search for her family, she travels to the mysterious depths of the Bloodlust Mountains to seek out her loved ones and so many who disappeared. Heidi loses her venture with fate when she is captured by the demon king and made to slave in the pits of Bloodlust. Then Heidi befriends another slave named Kevin. When he met Heidi, Kevin knew that the free-spirited woman was meant to be his. But danger awaits Heidi in Kevin's dark world, caught between one man's passion and her own desire. Which will she choose?

No stencils or patterns are ever used. Every birdhouse is treated with several coats of high quality exterior varnish for protection from the elements and to ensure colors will stay bright throughout the seasons. Birds love gourds for nesting and will often return to the same one year after year. When nesting season ends, the gourd's usefulness doesn't end. Birds will continue to use them as shelter from weather and for protection from predators.
