

Banks and Remedies

This text looks at the options that the law provides, both domestically and internationally. It also explains the various opportunities available to reduce risk and organize and administer rescue packages for ailing institutions. This edition addresses the new civil procedures rules in England; arbitration in banking and finance; rescues; EC remedies and English law remedies.

No stencils or patterns are ever used. Every birdhouse is treated with several coats of high quality exterior varnish for protection from the elements and to ensure colors will stay bright throughout the seasons. Birds love gourds for nesting and will often return to the same one year after year. When nesting season ends, the gourd's usefulness doesn't end. Birds will continue to use them as shelter from weather and for protection from predators.
