

# L.A. Snitch (A Ben Green Mystery Book 3)

Once a cop, always a lawyer, the twists and turns in Ben Greens hard-luck career have landed him a position as Special Investigator for L.A.P.D.s Internal Affairs Division. Green sets out to find the connection between the gangland-style execution of a federally protected snitch and the slaughter of a sexy L.A. matron. The clues seem to lead to a rogue cop moonlighting as a murder-for-hire killer. Moving to close, though, could lead Green to the head of the ingenious killers hit list. The 3rd BEN GREEN courtroom thriller.

 stencils or patterns are ever used. ½ Every birdhouse is treated with several coats of high quality exterior varnish  
 for protection from the elements and to ensure colors will stay bright throughout the seasons. Birds love gourds for  
 nesting and will often return to the same one year after year. ½ When nesting season ends, the gourd's usefulness  
 doesn't end. ½ Birds will continue to ½ use them as shelter from weather and for protection from predators.  
 If ½ you don't see what you want, please contact me for a custom made gourd creation or inquire about other types  
 of artwork...anything from pet portraits to painted milkcans! Enjoy your visit! New Products For July Pair of
