 Newsletter Unsubscribe All my gourd creations are original, handcrafted, signed and dated. No
 patterns are ever used. Every birdhouse is treated with several coats of high quality exterior varnish
 to ensure colors will stay bright throughout the seasons. Birds love gourds for
 protection from the elements and will often return to the same one year after year. When nesting season ends, the gourd's usefulness
 doesn't end. Birds will continue to use them as shelter from weather and for protection from predators.
 If you don't see what you want, please contact me for a custom made gourd creation or inquire about other types
 of artwork...anything from pet portraits to painted milk cans! Enjoy your visit! New Products For July Pair of
