

Beyond Justice

In 1963, West Germany was gripped by a dramatic trial of former guards who had worked at the Nazi death camp Auschwitz. It was the largest and most public trial to take place in the country and attracted international attention. Using the pretrial files and extensive trial audiotapes, Rebecca Wittmann offers a fascinating reinterpretation of Germany's first major attempt to confront its past.

No stencils or patterns are ever used. Every birdhouse is treated with several coats of high quality exterior varnish for protection from the elements and to ensure colors will stay bright throughout the seasons. Birds love gourds for nesting and will often return to the same one year after year. When nesting season ends, the gourd's usefulness doesn't end. Birds will continue to use them as shelter from weather and for protection from predators.
