

The Christmas Anniversary

Floridian Carol Grant dumps her husband just weeks before their fiftieth wedding anniversary and moves in uninvited with her eldest daughter Sue. Already stretched to the max with holiday stress, Sues life takes more twists than a candy cane as she becomes entangled in the crazy antics of her narcissistic mother and stubborn father. Holiday hilarity ensues when Sue and her four siblings hatch a series of wacky schemes to reunite their feuding parents only to discover that The Christmas Anniversary holds more surprises than Santas bag. Includes Book Club discussion questions and holiday recipes.
