

# Penthouse Variations (Letters to Penthouse)

28 Flavors, No Vanilla To find the limits of lovemaking, how far would you go-to Paris or the Caribbean, to miles above the earth, to your very own bedroom? Who would you invite-a threesome, a foursome, a whole houseful of eager erotic revelers? What props would you deploy-a wisp of knotted silk or a pair of high spiked heels, a stream of scented oil or a sheath of shiny black leather? From the pages of Penthouse Variations-for over two decades Americas boldest explorer of the most adventurous frontiers of the sexual revolution-come twenty-eight sometimes shocking, always exciting stories by people who dare to be different. They range from risqué role players to sexy bi-sirens, from casual encounters to the delights of domination. And they just might inspire you to walk on your own wild side.

No stencils or patterns are ever used. Every birdhouse is treated with several coats of high quality exterior varnish for protection from the elements and to ensure colors will stay bright throughout the seasons. Birds love gourds for nesting and will often return to the same one year after year. When nesting season ends, the gourd's usefulness doesn't end. Birds will continue to use them as shelter from weather and for protection from predators. If you don't see what you want, please contact me for a custom made gourd creation or inquire about other types of artwork...anything from pet portraits to painted milkcans! Enjoy your visit!
