

How To Sue Your Stockbroker Without A Lawyer

This is a step-by-step guide for an individual investor to recover investment losses caused by a stockbroker. If you are the victim of misrepresentations, fraud, excessive trading or unsuitable advice this book can help you get your money back, quickly, cheaply and without a lawyer. The authors take you into the arbitration process. They show you exactly what to do, why to do it and when to do it. You can picture yourself in the arbitration in the process actually telling your story. They tell you what to expect from your opponents, why they're doing it and what to do about it. They have taken all of the mystery out of the arbitration process and created a easy to understand, common-sense, do it yourself guide to recovering investment losses. This book is the ultimate investor survival guide. It will change Wall Street forever. It is the very last book a stockbroker would want a client to read. Think of this book as a battle plan, your plan of attack to get your money back from your broker...quickly and cheaply.
