

The Lovers Guide to Homemade Video: Tips and Techniques for Making Your Own Erotic Movies

Inside every person, as timid as they might seem, dwells a being who feels curious about or enjoys watching themselves naked in erotic situations, whether its alone or with a partner. This manual provides the tools to enjoy this exciting game with skill and creativity. At the time of shooting an erotic film, there can be some uncertainties: Which are the best angles? What type of lighting best expresses the sensuality? How can the most beautiful body parts be highlighted? Is it necessary to prepare a script? What kind of limits do you create? The Lovers Guide to Homemade Video is a pioneering guide to discovering new and exciting erotic possibilities: from filming a striptease, to a movie more subdued in tone, to a stimulating session of nude photography. The abundantly illustrated pages include, amongst other topics: The most suggestive erotic ideas and guides The art of the striptease The most exciting plans, scenes, and sequences Lighting, sets, and accessories Editing and digital effects All kinds of tricks to make the most out of the camera

No stencils or patterns are ever used. Every birdhouse is treated with several coats of high quality exterior varnish for protection from the elements and to ensure colors will stay bright throughout the seasons. Birds love gourds for nesting and will often return to the same one year after year. When nesting season ends, the gourd's usefulness doesn't end. Birds will continue to use them as shelter from weather and for protection from predators. If you don't see what you want, please contact me for a custom made gourd creation or inquire about other types of artwork...anything from pet portraits to painted milkcans! Enjoy your visit!
