

# Damning Evidence

Damning Evidence is a first-rate legal thriller in the tradition of Grisham, Rosenberg, and Turow. Kate del Graten is a 41-year-old Assistant District Attorney in Portland, Oregon. She has become a workaholic since the death of her attorney husband less than a year earlier leaving her alone to raise two teenage children, Greg, 19, and Denise, 14. On the job, Kate is vying with fellow Assistant District Attorney, Jerrod Wresler, for the position of Chief of the Homicide Division. Off the job, she has begun an affair with her late husband's law partner, Simon Leonard. These worlds collide when Kate finds herself in the middle of two homicide cases. She is trying the case against a homicide detective charged with brutally murdering his ex-wife. Meanwhile, when her son is charged with murdering a young couple, Kate asks Simon to defend him against prosecutor Jerrod Wresler. Kate then begins her own investigation to prove her son's innocence. It leads all the way to the D.A.'s office and her chief adversary Jerrod Wresler. The twists and turns and unexpected results of Kate's double duty come to a head in a heart-pounding, dramatic conclusion. Learn more about books by R.

No stencils or patterns are ever used. Every birdhouse is treated with several coats of high quality exterior varnish for protection from the elements and to ensure colors will stay bright throughout the seasons. Birds love gourds for nesting and will often return to the same one year after year. When nesting season ends, the gourd's usefulness doesn't end. Birds will continue to use them as shelter from weather and for protection from predators. If you don't see what you want, please contact me for a custom made gourd creation or inquire about other types of artwork...anything from pet portraits to painted milkcans! Enjoy your visit!
