

A Likely Story (Library Lovers Mysteries)

Delivering books to the housebound residents of the Thumb Islands, just a short boat ride from the town of Briar Creek, library director Lindsey Norris has befriended two elderly brothers, Stewart and Peter Rosen. She enjoys visiting them in their treasure-filled, ramshackle Victorian on Star Island until she discovers that Peter has been killed and Stewart is missing.

~ No stencils or patterns are ever used. ~ Every birdhouse is treated with several coats of high quality exterior varnish for protection from the elements and to ensure colors will stay bright throughout the seasons. Birds love gourds for nesting and will often return to the same one year after year. ~ When nesting season ends, the gourd's usefulness doesn't end. ~ Birds will continue to use them as shelter from weather and for protection from predators. If you don't see what you want, please contact me for a custom made gourd creation or inquire about other types of artwork...anything from pet portraits to painted milkcans! Enjoy your visit!
