

# BVRs Guide to Discounts for Lack of Marketability - 2009 Edition

This edition includes new analysis from thought leaders in the valuation profession, as well as original articles on discounts for lack of marketability, conference presentations, and excerpts from BVR teleconferences -- the essential materials to keep you current in DLOM. New items for this edition include: Six new articles including one exclusively written for the DLOM Guide on the subject of using the VFC Longstaff DLOM Methodology to determine the appropriate discount and 15 new and recent DLOM court case decisions. The guide also includes 300 of the most important court cases through 3Q2008, and a searchable CD.

No stencils or patterns are ever used. Every birdhouse is treated with several coats of high quality exterior varnish for protection from the elements and to ensure colors will stay bright throughout the seasons. Birds love gourds for nesting and will often return to the same one year after year. When nesting season ends, the gourd's usefulness doesn't end. Birds will continue to use them as shelter from weather and for protection from predators.
