

# The Ancient Alchemy Coloring Book: Celtic Knots, Mandalas, and Sacred Symbols

100 meditative patterns and symbols to color, inspired by ancient traditions. Symbols are the imaginative signposts of life. -- Margot Asquith Ancient symbols share wisdom, tell stories, decorate, protect, and inspire. We are fascinated by them and drawn to them--and now we can color them. Whether representing messages about daily life, evoking an emotion, or even conjuring up something magical, the images in this book beckon to any would-be artist. They are inspired from actual metal works, textiles, drawings, historical records and evidence left behind from cultures past. Many of the ancient designs actually served as meditative tools, so the act of coloring in these symbols may offer a double dose of calm as the act of coloring invites us to be present in the moment. 100 b&w illustrations

No stencils or patterns are ever used. Every birdhouse is treated with several coats of high quality exterior varnish for protection from the elements and to ensure colors will stay bright throughout the seasons. Birds love gourds for nesting and will often return to the same one year after year. When nesting season ends, the gourd's usefulness doesn't end. Birds will continue to use them as shelter from weather and for protection from predators.
