

Its a Wonderful Christmas: The Best of the Holidays 1940-1965

Even now that we're all grown up, we can't help but look back on our childhood holidays and hope to recapture that elusive spirit of joyful anticipation. Celebrating Christmas is so often about nostalgia. With a nod and a wink to the days of Christmas past, *It's a Wonderful Christmas* presents classic images of the Yuletide icons of mid-20th-century America. Bubbler lights and glow-in-the-dark icicles. Catalogues crammed with toys. Norad bulletins tracking Rudolph's red nose through the nighttime sky. Along with hundreds of such quintessentially American illustrations, author Susan Waggoner stocks her lively text with fascinating bits of information, lore, and lists. Wonder what the all-time most popular Christmas song is? How the tradition of the department store Santa got started? The answers are here. Loaded with images of vintage Christmas cards, wrapping paper, magazine ads, Lionel toy trains, and more, all in full color, this charming book will appeal to anyone who associates Christmas with home movies, *The Chipmunk Song*, and Santa relaxing with an ice-cold bottle of Coca-Cola.

AUTHOR BIO: SUSAN WAGGONER is the author of several illustrated books, including *Vintage Cocktails (STC)*. A native of Minnesota, she currently lives in New York City.

stencils or patterns are ever used. Every birdhouse is treated with several coats of high quality exterior varnish
for protection from the elements and to ensure colors will stay bright throughout the seasons. Birds love gourds for
nesting and will often return to the same one year after year. When nesting season ends, the gourd's usefulness
doesn't end. Birds will continue to use them as shelter from weather and for protection from predators.
If you don't see what you want, please contact me for a custom made gourd creation or inquire about other types
