

Admiralty and Maritime Law in the United States (Carolina Academic Press Law Casebook Series)

While the admiralty and maritime law of the United States is harmonious in broad outline with the law of other major maritime nations, it has unique features tied to the structure of the United States Constitution. Admiralty and Maritime Law reveals the areas of international harmony as well as explores the United States special problem areas. The book provides the fundamental professional tools necessary to the practice or advanced study of United States maritime law. While each of the authors is an expert in admiralty and maritime law, the book maintains a non-specialists perspective. It enables the well-grounded generalist to understand how and why admiralty law is different and at the same time ultimately familiar in its structure and preoccupations. Experienced admiralty teachers will find that the book is an orderly and user-friendly presentation of the unavoidable complexities of this area, with no sacrifice of depth.

All Products ... New Products - more Information Shipping & Returns Privacy Notice Conditions of Use Contact Us Site Map Gift Certificate FAQ Discount Coupons Newsletter Unsubscribe All my gourd creations are original, handcrafted, signed and dated. No stencils or patterns are ever used. Every birdhouse is treated with several coats of high quality exterior varnish for protection from the elements and to ensure colors will stay bright throughout the seasons. Birds love gourds for nesting and will often return to the same one year after year. When nesting season ends, the gourd's usefulness doesn't end. Birds will continue to use them as shelter from weather and for protection from predators. If you don't see what you want, please contact me for a custom made gourd creation or inquire about other types of artwork...anything from pet portraits to painted milkcans! Enjoy your visit!
