All Products ... New Products - more Information Shipping & Returns Privacy Notice Conditions of Use Contact Us Site Map Gift Certificate FAQ Discount Coupons Newsletter Unsubscribe All my gourd creations are original, handcrafted, signed and dated. No stencils or patterns are ever used. Every birdhouse is treated with several coats of high quality exterior varnish for protection from the elements and to ensure colors will stay bright throughout the seasons. Birds love gourds for nesting and will often return to the same one year after year. When nesting season ends, the gourd's usefulness doesn't end. Birds will continue to use them as shelter from weather and for protection from predators.

If you don't see what you want, please contact me for a custom made gourd creation or inquire about other types of artwork...anything from pet portraits to painted milkcans! Enjoy your visit!
