

## A, B, Cs of Hockey

It was exciting for us to develop this book by creating words and illustrations to go along with the letter using hockey as a backdrop. In the making of this book, we have learned that you can accomplish anything that you put your mind to and pray about. You will never get anywhere or accomplish anything without at least trying and doing something you are passionate about. Let us look for Gods blessings in whatever we do.

Every birdhouse is treated with several coats of high quality exterior varnish for protection from the elements and to ensure colors will stay bright throughout the seasons. Birds love gourds for nesting and will often return to the same one year after year. When nesting season ends, the gourd's usefulness doesn't end. Birds will continue to use them as shelter from weather and for protection from predators.
