

Good Morning, Heartache: A Philip Damon Mystery

Philip Damon and his orchestra are heading to Los Angeles for a gig at the Coconut Grove. They hope to scare up some West Coast publicity, but Damons quest is more personal. He hasnt been able to shake the blues since his wives murder - and a trip to Hollywood seems just the ticket. But when he finds himself two members shy of a big band, this excursion becomes a nightmare. Available only in Mystery 4.

stencils or patterns are ever used. Every birdhouse is treated with several coats of high quality exterior varnish
for protection from the elements and to ensure colors will stay bright throughout the seasons. Birds love gourds for
nesting and will often return to the same one year after year. When nesting season ends, the gourd's usefulness
doesn't end. Birds will continue to use them as shelter from weather and for protection from predators.
