Turn to me, Natalie. His mental call to her was dangerous, of course. Dangerous for him. Dangerous for her too, but she was in danger, anyway. Look at me now. Her gaze traveled slowly upward. With every moment, physical awareness stretched tauter between them. Her eyes wandered over Julians face, over his slashing dark brows, down the ridge of his aquiline nose to his chiseled mouth. Youre our angel! The ballerina smiled. The vampire smiled back. She explained, An angel is someone who makes an extremely generous donation to demonstrate his or her love for the ballet. I do love the ballet, Julian told Natalie fervently, his shadowed eyes fixed on her breasts. Their firm swells strained against the sweat-soaked fabric; buttons were undone to the moist hollow between them. God. He didnt have to kill her right away, did he?

No stencils or patterns are ever used. Every birdhouse is treated with several coats of high quality exterior varnish for protection from the elements and to ensure colors will stay bright throughout the seasons. Birds love gourds for nesting and will often return to the same one year after year. When nesting season ends, the gourd's usefulness doesn't end. Birds will continue to use them as shelter from weather and for protection from predators.
