

Medicolegal Essentials in Healthcare

This concise reference is a guide to legal aspects of medical practice - invaluable in a profession where litigation is on the increase. Written by authors whose experience spans both clinical practice and criminal law, it presents the information the clinician needs in a straightforward style. The book informs readers about high-anxiety areas of clinical practice, allowing them to be confident about advising patients and colleagues in a legally correct way. It provides handy explanations of how to fill in key forms such as legal statements, death certificates and cremation forms. And the quick-reference format means the reader can find the information required easily.

No stencils or patterns are ever used. Every birdhouse is treated with several coats of high quality exterior varnish for protection from the elements and to ensure colors will stay bright throughout the seasons. Birds love gourds for nesting and will often return to the same one year after year. When nesting season ends, the gourd's usefulness doesn't end. Birds will continue to use them as shelter from weather and for protection from predators.
