

Dark Sky Question (Barnard New Women Poets Series)

As Brenda Hillman notes in her Introduction, Larissa Szporluk creates an animate new universe out of cryptic original speech in these poems. Exploring how the mind orders experience and how disorder, or different orders, affect that experience Szporluk has produced a poetry of alien beauty, limning worlds where the inability to exert control results in a disturbing, overwhelming immediacy.

No stencils or patterns are ever used. Every birdhouse is treated with several coats of high quality exterior varnish for protection from the elements and to ensure colors will stay bright throughout the seasons. Birds love gourds for nesting and will often return to the same one year after year. When nesting season ends, the gourd's usefulness doesn't end. Birds will continue to use them as shelter from weather and for protection from predators.
