

The Selfish Divorce: How Selfishness and Morality Meet

The Selfish Divorce is a must read for anyone in the throes of a marital break-up. A common sense approach to moving on after a divorce. It will save you tons of money, a lot of time and an inestimable amount of stress. When Greg Anderson posted congratulations and compliments to his ex on her engagement on Facebook, he got thousands of responses. Most people asked the question: Can you really love your ex? Based on his own experiences, research into the psychology and neuroscience of relationships, Greg came up with the answer. In this book you will learn about the 7 Principles that enable you to move on from a relationship without being bereft, bitter or broken. You will learn about the 3 types of saboteurs and how to deal with them. Most of all you will learn how to free yourself from the past so you can thrive in the future.
