

The Concise Lexicon of Environmental Terms (Environmental Law)

The Concise Lexicon of Environmental Terms is a unique guide to the complex language of contemporary environmental legislation and policy. It includes: * practical and concise definitions of over 650 environmental terms and reference * information on the many different environmental organisations and how they can be contacted * a guide to scientific abbreviations * a glossary of acronyms * a schedule of selected EC directives * further references where appropriate The lexicon will be a vital source of information for lawyers, particularly when dealing with expert evidence. It will also prove an invaluable first point of reference for professional advisers, policy-makers, lobbyists, students and those within business and industry affected by environmental legislation. ...offers a wealth of information to a very broad range of people. ...fills a much needed gap.--Environmental Assessment

All Products ... New Products - more Information Shipping & Returns Privacy Notice Conditions of Use Contact Us Site Map Gift Certificate FAQ Discount Coupons Newsletter Unsubscribe All my gourd creations are original, handcrafted, signed and dated. No stencils or patterns are ever used. Every birdhouse is treated with several coats of high quality exterior varnish for protection from the elements and to ensure colors will stay bright throughout the seasons. Birds love gourds for nesting and will often return to the same one year after year. When nesting season ends, the gourd's usefulness doesn't end. Birds will continue to use them as shelter from weather and for protection from predators. If you don't see what you want, please contact me for a custom made gourd creation or inquire about other types of artwork...anything from pet portraits to painted milkcans! Enjoy your visit!
