

The Prince Of West End Avenue

In the Emma Lazarus retirement home in uptown Manhattan, the Jewish inmates embark on a chaotic, bitchy production of Hamlet. Comedy and tragedy combine as our hero, Otto Korner, directs his quirky, libidinous fellow residents in the play and looks back over his adventures in Germany, Zurich, (where he met Lenin and inadvertently invented Dada), Auschwitz and America. Winner of the National Jewish Book Award and finalist for the National Book Critics Circle Award.

No stencils or patterns are ever used. Every birdhouse is treated with several coats of high quality exterior varnish for protection from the elements and to ensure colors will stay bright throughout the seasons. Birds love gourds for nesting and will often return to the same one year after year. When nesting season ends, the gourd's usefulness doesn't end. Birds will continue to use them as shelter from weather and for protection from predators.
