

Tables of Procedure: Company Procedure

This contains a series of checklists covering company procedure, corporate statute law and insolvency matters, providing a single reference source to the appropriate legislation. It is laid out in a checklist format and includes amendments to the sections on: incorporation of a new company; company meetings; increase of capital; own share purchase; and preliminary duties of a liquidator, receiver or manager.

No stencils or patterns are ever used. Every birdhouse is treated with several coats of high quality exterior varnish for protection from the elements and to ensure colors will stay bright throughout the seasons. Birds love gourds for nesting and will often return to the same one year after year. When nesting season ends, the gourd's usefulness doesn't end. Birds will continue to use them as shelter from weather and for protection from predators.
