

The Horror Film Quiz Book: 1,000 Questions on Spine Chilling Films

The fact that horror remains one of the most popular genres in the history of film and has produced so many classic titles, proves that we all thrive on suspense and audiences everywhere just love to feel the fear factor. Who among us can ever forget such all time favourites as Halloween, Psycho and Jaws? And no matter how many times we may have watched these cult films, they still manage to keep us on the edge of our seats. The Horror Film Quiz Book is a definitive guide to things that go bump in the night and the 1,000 questions contained inside the cover will test your memory of the writers, characters, human and inhuman monsters that inhabit the world of horror. With sections on all the best-loved spine tingling films from yesteryear through to the current day, this book is a must have for all fans of the genre but be prepared for one or two surprises as, in the world of horror, things are not always as they seem.

No stencils or patterns are ever used. Every birdhouse is treated with several coats of high quality exterior varnish for protection from the elements and to ensure colors will stay bright throughout the seasons. Birds love gourds for nesting and will often return to the same one year after year. When nesting season ends, the gourd's usefulness doesn't end. Birds will continue to use them as shelter from weather and for protection from predators.
