

Australian Prisons - A Survival Guide For New Inmates

The author has served time in maximum security prisons for over four years, seen the inside of nine different prisons, worked as a paralegal in the prison system writing successful legal applications to the Supreme court in many criminal matters and he has made a film about law in prison in conjunction with the legal aid office. This booklet is for anyone who has any concerns about going to jail. - about violence; physical, sexual or mental. It is for anyone who has just gone to jail and who needs advice about doing their jail time. It is for the parents of anyone going to jail so that they will know a little better how to help their loved one cope. It is for the partners of anyone going to jail so they too will know how best to support their loved one while they are away. This booklet is for anyone concerned for anyone facing time in prison.

No stencils or patterns are ever used. Every birdhouse is treated with several coats of high quality exterior varnish for protection from the elements and to ensure colors will stay bright throughout the seasons. Birds love gourds for nesting and will often return to the same one year after year. When nesting season ends, the gourd's usefulness doesn't end. Birds will continue to use them as shelter from weather and for protection from predators.
