

The Secret Doge (Harry and Marcia Financial Thrillers Book 1)

Harry, a workout specialist for a prestigious San Francisco investment firm, discovers that Venice has maintained an independent financial structure after being captured by Napoleon. Managed by a Secret Doge, the funds are even secretly contained in some US Treasury accounts. . This Eastern European financial ring employs hackers and general thugs that show up to harass people like our hero and his show off wife, The book contains revealing information about Venice to the point that it is like an insiders complement to a guide book.

No stencils or patterns are ever used. Every birdhouse is treated with several coats of high quality exterior varnish for protection from the elements and to ensure colors will stay bright throughout the seasons. Birds love gourds for nesting and will often return to the same one year after year. When nesting season ends, the gourd's usefulness doesn't end. Birds will continue to use them as shelter from weather and for protection from predators.
