

Building Regulations Explained: 1995 Revision (Builders Bookshelf)

This new edition of Building Regulations Explained incorporates the latest amendments to the regulations which came into effect during 1995. It starts with the development of building control and then describes procedural aspects before dealing with all 14 approved documents in detail, showing their relevance and method of operation, with the help of numerous tables and diagrams. A number of appendices give much helpful information and useful sources. From the reviews of the 3rd and 4th editions. Building Regulations Explained ...is more than a guide in the usual sense, it sets the Regulations in context - AJ Focus This is a very useful reference book ...which will find a place on my bookshelf. - Harry Hosker, Architects Journal This is a must for every Technical Library or builders bookshelf, and will be of immense value to architects, surveyors and others in interpreting and applying these complex regulations. - Geoff Hatton, ASI Journal

All Products ... New Products - more Information Shipping & Returns Privacy Notice Conditions of Use Contact Us Site Map Gift Certificate FAQ Discount Coupons Newsletter Unsubscribe All my gourd creations are original, handcrafted, signed and dated. No stencils or patterns are ever used. Every birdhouse is treated with several coats of high quality exterior varnish for protection from the elements and to ensure colors will stay bright throughout the seasons. Birds love gourds for nesting and will often return to the same one year after year. When nesting season ends, the gourd's usefulness doesn't end. Birds will continue to use them as shelter from weather and for protection from predators. If you don't see what you want, please contact me for a custom made gourd creation or inquire about other types of artwork...anything from pet portraits to painted milkcans! Enjoy your visit!
