

# Reel Bad Arabs: How Hollywood Vilifies a People

A groundbreaking book that dissects a slanderous history dating from cinemas earliest days to contemporary Hollywood blockbusters that feature machine-gun wielding and bomb-blowing evil Arabs. Award-winning film authority Jack G. Shaheen, noting that only Native Americans have been more relentlessly smeared on the silver screen, painstakingly makes his case that Arab has remained Hollywoods shameless shorthand for bad guy, long after the movie industry has shifted its portrayal of other minority groups. In this comprehensive study of over one thousand films, arranged alphabetically in such chapters as Villains, Sheikhs, Cameos, and Cliffhangers, Shaheen documents the tendency to portray Muslim Arabs as Public Enemy #1-brutal, heartless, uncivilized Others bent on terrorizing civilized Westerners. Shaheen examines how and why such a stereotype has grown and spread in the film industry and what may be done to change Hollywoods defamation of Arabs.

No stencils or patterns are ever used. Every birdhouse is treated with several coats of high quality exterior varnish for protection from the elements and to ensure colors will stay bright throughout the seasons. Birds love gourds for nesting and will often return to the same one year after year. When nesting season ends, the gourd's usefulness doesn't end. Birds will continue to use them as shelter from weather and for protection from predators. If you don't see what you want, please contact me for a custom made gourd creation or inquire about other types of artwork...anything from pet portraits to painted milkcans! Enjoy your visit!
