

Turning Points

Diana Prince brings a new and unrelenting vision to modern poetry. She combines the brevity of E. E. Cummings, the sharp imagery of William Carlos Williams, and the bite of Sylvia Plath in a new and unexpected voice.

No stencils or patterns are ever used. Every birdhouse is treated with several coats of high quality exterior varnish for protection from the elements and to ensure colors will stay bright throughout the seasons. Birds love gourds for nesting and will often return to the same one year after year. When nesting season ends, the gourd's usefulness doesn't end. Birds will continue to use them as shelter from weather and for protection from predators.
