

# Brink of Reality: New Canadian Documentary Film and Video

In Brink of Reality, Peter Steven examines the convergence of video-art and social-issue documentary, from the 1940s to the present. No other book has explored contemporary Canadian documentary so thoroughly, or provided as broad a view of the state of the art in the 1990s.

No stencils or patterns are ever used. Every birdhouse is treated with several coats of high quality exterior varnish for protection from the elements and to ensure colors will stay bright throughout the seasons. Birds love gourds for nesting and will often return to the same one year after year. When nesting season ends, the gourd's usefulness doesn't end. Birds will continue to use them as shelter from weather and for protection from predators.
