

# The Cinema of David Cronenberg: From Baron of Blood to Cultural Hero (Directors Cuts)

David Cronenberg has moved from the depths of low-budget exploitation horror to become one of North America's most respected movie directors. Since the early 1970s, the softly-spoken Baron of Blood has attracted widespread controversies with a steady stream of shocks - sex-crazed parasites in *Shivers* (1975), exploding heads in *Scanners* (1981), revolutionary flesh technology in *Videodrome* (1983), mutating bugs in *The Fly* (1986), car crash scars in *Crash* (1996) and psychopathic bursts of gun fire in *A History of Violence* (2005). This new study provides an overview of Cronenberg's films in the light of their international reception, placing them firmly in the cultures they influenced. It also highlights often-ignored works, such as the race movie *Fast Company* (1979), and includes a chapter on the latest film *Eastern Promises* (2007). Amidst bans and boos, Cronenberg has developed a consistent cult following

All Products ... New Products - more Information Shipping & Returns Privacy Notice Conditions of Use Contact Us Site Map Gift Certificate FAQ Discount Coupons Newsletter Unsubscribe All my gourd creations are original, handcrafted, signed and dated. No stencils or patterns are ever used. Every birdhouse is treated with several coats of high quality exterior varnish for protection from the elements and to ensure colors will stay bright throughout the seasons. Birds love gourds for nesting and will often return to the same one year after year. When nesting season ends, the gourd's usefulness doesn't end. Birds will continue to use them as shelter from weather and for protection from predators. If you don't see what you want, please contact me for a custom made gourd creation or inquire about other types of artwork...anything from pet portraits to painted milkcans! Enjoy your visit!
