

The Man from Mukinupin

This comic musical play celebrates life in a country town at the time of the Great War, conjuring its light and dark sides into an old fertility dance.

 stencils or patterns are ever used. Every birdhouse is treated with several coats of high quality exterior varnish
 for protection from the elements. Assurance colors will stay bright throughout the seasons. Birds love gourds for
 nesting and will often return to the same one year after year. When nesting season ends, the gourd's usefulness
 doesn't end. Birds will continue to use them as shelter from weather and for protection from predators.
