

The Worlds Greatest Book of Useless Information: If You Thought You Knew All the Things You Didnt Need to Know - Think Again

From the creators of the #1 New York Times bestseller *The Book of Useless Information*-a collection of even greater insignificance. More useless than ever before! Impress know-it-all friends with this all-new hodgepodge of frivolous facts and silly statistics that no one really needs to know. But honestly, how cool is it to find out that... ? There is a place in Maryland called Monkeys Eyebrow ? Giving yellow flowers is a sign of bad luck in Russia ? One brow wrinkle is the result of 200,000 frowns ? Paper can be made from asparagus This is the book that will also tell you... ? The meaning of mageirocophobia ? Where it is illegal to kill a butterfly ? Huckleberry Finns remedy for warts ? What bodily fluid the Romans used as a hair treatment And much, much more!

All Products ... New Products - more Information Shipping & Returns Privacy Notice Conditions of Use Contact Us Site Map Gift Certificate FAQ Discount Coupons Newsletter Unsubscribe All my gourd creations are original, handcrafted, signed and dated. No stencils or patterns are ever used. Every birdhouse is treated with several coats of high quality exterior varnish for protection from the elements and to ensure colors will stay bright throughout the seasons. Birds love gourds for nesting and will often return to the same one year after year. When nesting season ends, the gourd's usefulness doesn't end. Birds will continue to use them as shelter from weather and for protection from predators. If you don't see what you want, please contact me for a custom made gourd creation or inquire about other types of artwork...anything from pet portraits to painted milkcans! Enjoy your visit!
