

Star Trek Sex: Analyzing the Most Sexually Charged Episodes of the Original Series

The Sexiest Starship Alive. Its how People Magazine would crown the Enterprises crew if the pop culture stalwart warped into the 23rd century. Captain Kirks randy reputation old, intergalactic news? Thankfully, this isnt a How to Score guide penned by J.T.K. Its no tell-all memoir to shock and awe, nor cosmic celebrity sex tape full of space babes. Star Trek Sex deals tastefully in the romantically loaded tales of Gene Roddenberrys landmark TV show. And though William Shatners Kirk is a front and center player, his crew, Spock, Scotty, Uhura, McCoy, Sulu and Chekov, also get a piece of the action. To explore strange new worlds... To seek out new life... Star Trek Sex covers the iconic classic, then warps beyond to Star Trek: Into Darkness and the hip satire of Saturday Night Live, Family Guy and the legendary Howard Stern. It highlights the sexually charged moments of Roddenberrys Wagon Train To The Stars and focuses on those complex themes which helped establish Star Trek as a global Hollywood franchise. At age 4, Will Stape watched Star Trek before he knew the difference between a phaser and a taser. Hes one of a handful of freelance writers to sell to Star Trek: The Next Generation. His episode, Homeward, with Paul Sorvino (Goodfellas), premiered in the Emmy Award winning shows last season. A year later, he sold to Star Trek: Deep Space Nine, and his script, Charity, became Prophet Motive with Wallace Shawn star of The Princess Bride. Stape pitched to Star Trek: Voyager, Deep Space Nine and met with writer/producer Michael Piller for Stephen Kings The Dead Zone. Hes developed TV show docudramas and his articles appear in Sci-Fi Pulse, Airlock Alpha, McCalls Quilters Home, Hudson Reporter, Bayonne Style, Shine, OMG! and Yahoo! News. Hes owned phasers, but never a taser.

No stencils or patterns are ever used. Every birdhouse is treated with several coats of high quality exterior varnish for protection from the elements and to ensure colors will stay bright throughout the seasons. Birds love gourds for nesting and will often return to the same one year after year. When nesting season ends, the gourd's usefulness doesn't end. Birds will continue to use them as shelter from weather and for protection from predators. If you don't see what you want, please contact me for a custom made gourd creation or inquire about other types of artwork...anything from pet portraits to painted milkcans! Enjoy your visit!
