

Nine to Five: How Gender, Sex, and Sexuality Continue to Define the American Workplace

Nine to Five provides a lively and accessible introduction to the laws and policies regulating sex, sexuality, and gender identity in the American workplace. Contemporary cases and events reveal the breadth and persistence of sexism and gender stereotyping. Through a series of essays organized around sex discrimination, sexual harassment, pregnancy discrimination, and pay equity, the book highlights legal rules and doctrines that privilege men over women and masculinity over femininity. In understanding the law - what it forbids, what it allows, and to what it turns a blind eye - we see why it is far too soon to declare the triumph of working womens equality. Despite significant gains for women, gender continues to define the work experience in both predictable and surprising ways. A witty and engaging guide to the legal terrain, Nine to Five also proposes solutions to the many obstacles that remain on the path to equality.

No stencils or patterns are ever used. Every birdhouse is treated with several coats of high quality exterior varnish for protection from the elements and to ensure colors will stay bright throughout the seasons. Birds love gourds for nesting and will often return to the same one year after year. When nesting season ends, the gourd's usefulness doesn't end. Birds will continue to use them as shelter from weather and for protection from predators. If you don't see what you want, please contact me for a custom made gourd creation or inquire about other types of artwork...anything from pet portraits to painted milkcans! Enjoy your visit!
