

Kahnjuring: Deceptive Practices With Playing Cards

Rollover Revelation Revisited A flashy opening effect in which the three mates of a chosen card are produced in an unexpected manner. My Signature Effect Two signed transparent playing cards magically transpose with one another... and so do the signatures. Across The Void An impromptu and visually stunning version of the classic Cards Across plot. Four For One And One For All Four Jacks undoubtedly placed reversed into four different parts of the deck instantly change places with a signed selection held by the performer. The Kure False Cut A flourished, deceptive in-the-hands full deck false cut. The Kure Pop-Out Move A finger-flicking production of a selected card that not only looks impossible but is oh so fun to perform. Stale Moldy Bread Paul Harris Grasshopper plot revisited... using odd-backed cards. Take Two A simple yet effective double two card transposition that will leave your audience gasping. Lets Twist Again Twisting the Aces... with a twist. Triple Coincidence Three odd-backed predictions shuffled into a deck prove to be the three cards freely selected by three audience members. No forces! No duplicates! Simply ingenious! Scott Kahn is a wonderfully inventive creator who is worth keeping your eyes on. It will be well worth the wait to see what other gems Scott has in store for us. Me? I can hardly wait. I have no reservations at all about the quality of Scott's work. Nice job!--Shane Causer, Visions, The Online Journal of the Art of Magic I loved Rollover Revelation. Thumbs way up from me!--Doug Conn, USA Your method of writing is excellent. I don't think I will ever go as far as writing my own material down for the public because there are guys like you that do it so much better.--Gerhard Erasmus, Taiwan I enjoyed reading this book... Kahns approach to magic is similar to that of his medical career prescribing solutions that

breathe new life into classic card magic... Great visual effects... Well structured... This is a fine debut effort and I look forward to what Kahn has in store for us next.--John Guastafarro, Genii, The Conjurors Magazine Well done! I like your ideas.--Richard James, Connoisseur Conjuring Scotts Rollover Revelation is quick, direct and very much unexpected!--Joshua Jay, USA Very commercial! You can tell Scott puts thought into his card magic. --Marshall Petersen, H&R Magic Books Nice job. Excellent handling. Im definitely going to publish Rollover Revelation in my MAGIC Magazine column. Keep up the good work.--Jon Racherbaumer, USA

No stencils or patterns are ever used. Every birdhouse is treated with several coats of high quality exterior varnish for protection from the elements and to ensure colors will stay bright throughout the seasons. Birds love gourds for nesting and will often return to the same one year after year. When nesting season ends, the gourd's usefulness doesn't end. Birds will continue to use them as shelter from weather and for protection from predators.
